WORK EXPERIENCE

Social Media Manager

Mid 2025 – Mid 2026

Commercial Corporate / Business

- Spearheaded and executed content strategies across 5 major social media platforms (TikTok, Facebook, Twitter, Pinterest, and Telegram) to successfully build and boost brand awareness.
- Developed, curated, and structured editorial content calendars and daily schedules to ensure a consistent corporate digital presence.
- Implemented daily automation workflows for Telegram channels utilizing self-developed **Python Autopost** scripts, maximizing operational efficiency by 40%.
- Monitored market trends and social media analytics to continuously align content execution with the target audience's preferences.

Content Writer (Side Job)

Mid 2024 – Mid 2025

Commercial Corporate / Business

- Produced highly engaging, informative, and SEO-friendly blog articles, website copy, and promotional materials.
- Conducted thorough keyword research to optimize content discoverability on Search Engine Result Pages (SERPs) and generate organic traffic.
- Collaborated across teams to ensure tone of voice and content alignment with the brand's visual guidelines.

Customer Service Representative

Early 2023 – Early 2025

Commercial Corporate / Business

- Served as the primary point of contact, efficiently handling customer inquiries, complaints, and requests with a professional and solution-oriented approach.
- Maintained exceptional customer satisfaction scores by delivering prompt and accurate issue resolutions.
- Documented constructive user feedback to support product and marketing teams in improving service quality.

PORTFOLIO & PERSONAL PROJECTS

Content Management & Development Projects

Active

- Consistently document, maintain, and showcase content writing pieces and automated scripts on personal GitHub repository (**github.com/G102-rgb/Portofolio-Arifsyaputra**).
- Designed and deployed independent Python scripts aimed at automated media scheduling and community management workflows.
